All –

On behalf of the U.S. Army Corps of Engineers (USACE), New England District, and U.S. Army BRAC Environmental Office Fort Devens, BERS-WESTON JV is submitting an electronic copy of the Draft Final Site Inspection Report for Per- and Polyfluoroalkyl Substances (PFAS) at Former Fort Devens Army Installation, Devens, MA.

The document has been posted to the AMRDEC SAFE site (for government employees) and to Accellion (for non-government employees) for downloading due to the size of the document.

A commenting period of 45-calendar days is requested in accordance with the FFA. Please forward comments or questions to the attention of Mr. Robert Simeone at Robert.j.simeone.civ@mail.mil or via phone at 978-796-2205.

Thanks

Chris
